TO WHOM IT MAY CONCERN

Mr. John Politis has been known to me as Maintenance-Facilities and Special Projects Manager as well as a colleague at the Hellenic Vehicle Industry S.A.

As company's AUDITOR I have found him an outstanding, honorable, cooperative, confident, hard-working, industrious, and competent officer, with a mature outlook towards the automotive industry.

His professional outlook along with his experience in the automotive industry projects, would make him an ideal choice for a managerial post in the industry.

Yours Sincerely

D. Iosifellis
