TO WHOM IT MAY CONCERN

It has been my pleasure to know Mr John Politis in my capacity as Coordinator of the International Management subject at University of Western Sydney, Nepean.

During this time I found John to be an outstanding management Tutor, with excellent knowledge of the materials taught and passion and enthusiasm for the subject. John's analytical work and presentation skills were always of the highest standard, thoroughly researched and reflecting his genuine interest and desire for teaching. He has proven himself to be a mature and dedicated teacher, with the ability to quickly grasp complex management concepts and applications. This, coupled with his bright and friendly disposition would make him a valuable asset to any organisation.

Consequently, I have no hesitation in recommending John to any prospective employer.

Yours sincerely,

Ms Faye Frith
