Interpretation of the 'mean' score
Teaching Evaluation

The information on this page is designed to help you interpret the 'mean' score for each question which appears on your Teaching Report.

We are providing the middle 50% range of scores received by academics at Macquarie for each question, in each of the categories listed. This will allow you to compare your student ratings with that of your colleagues, the upper 25% of your colleagues, or the lower 25% of your colleagues. (For more information refer to "Interpreting Your Own Report" included in the Red Booklet.)
