Comments: Dr. John is one of the best teachers I have ever met. His experience and qualification helps a lot in improving our skills.

This course is very interesting.

The period for the course duration is short perhaps trimester could be started earlier, so that extra decisions could eventually provide effective final result. Please pay extra care on grading.

It was a very useful course because it consists of all of previous courses such as "Marketing, Economics and Finance". We would like to start the masters degree and give Dr. John the opportunity to teach us.

I believe that this course is very interesting and I would like to extend it little more.

He is a very good teacher.

It has been a pleasure studying with Dr. John, his friendly manner made us feel like dealing with a friend.

We hope that he teach us Masters degree courses.

Comments: He is an excellent teacher.

He is one of the best teachers I have ever learned from.

Better if given with another subject other than project.

Excellent teacher, helpful, natural motivator to study, his ways of teaching is like that of a professionals. He has a wide range of knowledge to give and he is giving it.

We are learning a lot from this teacher, and I hope that this will improve my skills, to develop the area which I am working in.

He is one of the best instructor I have in class.

It is better to do any of these two subjects with a normal subject so I think the student will get better attention.

He is a very good instructor.
