Excellent teacher... we need 2 John Politis!

I learned a lot from this subject.

i wish there are more teachers like Doctor John

The group Project and the simulation Game was very interesting, we understand the real life market.

he is the best teacher I have met ever and I request people to give him more chance to do change

i would like to continuing the master degree with the same standard and teaching level

the college needs more than one John Politis!

The subject is nice, teaches you how to depend on yourself. Sometime I feel that the mark I get is not fair (less than what I deserve).

The course concept was excellent. It is helping us for Master Degree.

he is my best teacher

I hope that many teachers follow Mr. John way of teaching. He is very well organized and he makes you like his subject. Also, this teacher make us like his subject and attened the classes not afraid from the punishment, because we he makes us like his subject.

Excellent Teacher

Although he deals with the students as matured people, he should try to stop any side discussions between the students as it will affect the others. I agree there are only few times this has happened and in general students are very good.

This teacher is one of the best teacher I have ever seen. This is because he makes his class very intersting and knowlegable. We are really learning a lot from his experience. I will keep asking him and consult him even after my graduate.

he's very experined and knows his subject very well

he is the best teacher in the world
