### Comments

Too many information given by this excellent teacher in a very short time. Sometimes, student may loose control over many points/wide scope of study. This may be good sometimes, and may be negative in some instances.

### Comments

He is very good and i am very happy that he is my instructor.

An excellent teacher, who I enjoy working with

the class is too big and it is defficult to have enough time with the teacher and point all the points

i feel that I am improving with this teacher and my knowldege is getting wider in this subject

He is a good teacher

i think he is the best teacher for this subject

Dr Politis makes the course extremely interesting, I think that I am very lucky to be one of his students

even if no one is in a mood to pay attention, he has the will and desire to attract the students attention again... , which is a quality rarely found in teachers

The control over the class is much better than last year, we appreciate his controls on the side talks.... We appreciate his exchange of knowledge during the class related to the subject.

Dr.Jhon is best teacher I have ever met. This is because of his special way of explaining and because of his seldome personality.

I would recommend that all coursewares/materials to be online.
