He is very clear and we can understand his subject smoothly. I like his class and his way of teaching. He has rich examples from his real life which are supported by the theories of the subject he gives us.

I hope that we will get the most from him because he has a lot to give

very excellent teacher

A good teacher but the only problem is that the class is boring. I believe introducing media related to Project management in the classes will be useful.

The best teacher.

Great Teacher, Has huge amount of knowledge in Project Management.

the teacher is well reachable

Very Good Teacher. Has great class control and makes class interesting

Mr. John Politis is a good teacher, he has good knowledge of the course & material & explains everything well. Though some times the atmosphere in the class becomes a bit boring. Maybe a change in teaching style would be good. Other than that he is perfect.

You are one of the best teachers in this college and I like your course. Your efforts are appreciated and thank you Dr. John.

DR JOHN YOU ARE WHAT CAN I SAY ... GENIUS

Thanks for your effort in teaching

reduce teaching speed.
