The Teacher helpful and really we learn alot from him

thank you

He is very helpful and never bored to offer any assisstant whatever time a student needs.
Thank Dr. John

he is really a great teacher, i hope that he teaches in master level. if he is going to do that, i might consider doing my master at the college because he really share real issues and ture problems, which i really learn from.

He really respects every single student and his way of teaching is so easy to follow and understand. DMC must keep him and get some other good teachers like him instead of all the part time teachers that few of them are not fit to teach at all!

a great teacher

He is expert and has many rich examples to support the subject s theories.
