1	MBA is a masters course an should be concentrated only on assessments an NOT exams. This is usually the strategy used by many foreign universities, an should be applied at least in the second year of the MBA. Please have this in mind. Thank you
1	Great teacher
1	Course was challenging and that s why i think we should have got deeper into it.
1	prefer more maths involved in the course.
1	Mr John Politis is a real proffessional! Excellent teacher, with lots of experiences from real life and is always there to help the students!
1	Generally was ok and very well organised.
